Dear Parents,

1. The Management has always been very concerned about the safety and Security of students. Numerous measures have been undertaken to improve the same within the Campus. Transport security is one of the major aspects of students' security. Numerous judgements by Courts and instructions from Education Authorities exist on the subject. Transport carrying school children must adhere to certain norms of safety. The parents must ensure that their ward travel by the transport adhering to the laid down safety norms.

2. The Campus schools do not own any transport or have contract with any transporter. However, in order to ensure that parents have maximum leverage with the transporters to ensure that all laid down security measures are adhered to and the rates are reasonable, a Transport Management Committee (TMC) of the parents has been constituted which has parent representatives from all the schools within the Campus. The TMC has shortlisted two transporters namely 'Adeena Travels' and 'Khodaiji Bus Service'. The TMC negotiates the rates, decides the bus routes and ensures that the transporters adhere to all laid down safety norms.

3. The parents are free to take any mode of transport but must ensure that the selected mode of transport adheres to the laid down safety norms. Parents sending their wards by an unsafe mode of transport shall do so at their own risk and the school will not be responsible for their actions.

Thanks & Regards,

Mrs. Kala Gangadharan
