LET'S MAKE HISTORY!

The **HMPS CAMPUS GREEN BRIGADE** comprising the 4 schools in the campus has been recycling plastic and e waste since September 2020.

The **GREEN BRIGADE** plans to apply for the **LIMCA BOOK OF RECORDS** in the plastic and e waste category. We have recycled 14200 kgs of plastic and this is as our 1st entry. For the E-Waste category, we need only 64 kgs to reach 2000 kgs to file for our second entry. The third entry would be to recycle 2252 pens to file our application and achieve recycling 10,000 pens.

The Campaign Brigade Team would be available on 22nd October from 10am to 12 noon at the drop zone – near the campus entrance, near the post office to receive your e waste and unused pens

The **LIMCA BOOK OF RECORDS** is only a start towards the larger goal to enable mind set change and build appreciation for the campus involvement in the National Green Revolution Programme.

We thank our students and their parents for unconditional support, commitment and their infectious zeal for this campaign which is now way ahead of just being about “Numbers & Weights “

“TOGETHER WE CAN “
