LET'S MAKE HISTORY!

The **HMPS CAMPUS GREEN BRIGADE** comprising the 4 schools in the campus has been recycling plastic and e waste since September 2020.

The **GREEN BRIGADE** plans to apply for the **LIMCA BOOK OF RECORDS** in the plastic and e waste category. We have recycled 14200 kgs of plastic and this is as our 1st entry. For the E-Waste category, we need only 64 kgs to reach 2000 kgs to file for our second entry. The third entry would be to recycle 2252 pens to file our application and achieve recycling 10,000 pens.

The Campaign Brigade Team would be available on 22nd October from 10am to 12 noon at the drop zone – near the campus entrance, near the post office to receive your e waste and unused pens

The **LIMCA BOOK OF RECORDS** is only a start towards the larger goal to enable mind set change and build appreciation for the campus involvement in the National Green Revolution Programme.

We thank our students and their parents for unconditional support, commitment and their infectious zeal for this campaign which is now way ahead of just being about “Numbers & Weights “

“TOGETHER WE CAN “

Subject: Participation in a Drone Building Workshop at Rajhans Vidyalaya, HMPS Campus.

Dear Students,

Skyforce Innovations Pvt. Ltd. is a leading company in imparting drone technology and education.

Please find the proposal for an informative and engaging workshop for the Drone Building: Learn Drone Making at Rajhans Vidyalaya, HMPS Campus. The purpose of this workshop is to introduce you to drone technology through regulations in India, drone types, and then assembling and flying your own drone.

Workshop Title: Learn Drone Making

Date: 4th January - 6th January 2024

Duration: 3 hours per day (9:30 am to 12:30 pm)

Target Audience: Students from 8th grade to 12th grade

Workshop Overview:

The workshop will begin with an introduction to drones with history, definitions, flight physics, and their applications. Then we would assemble the drones after understanding the different components and calibration, tools for assembly, drone rules and regulations, and the safety for assembly. Then we would explain how to fly a drone with safety measures and radio telephony before the first flight!

Perks:

1. A drone kit that you will be assembling and taking home for flying!
2. Certificate after the completion of the workshop.
3. Access to a drone community where you can ask any doubts and learn about developments in drone technology.
4. An added skill set and advantage in the drone industry for the resume.
5. Understanding the applications of drones for you to explore for their projects.

Facilitator(s):

Mr. Dev Shah is the Founder and CEO of Skyforce Innovations Pvt. Ltd. with 6 years of experience in the drone industry. He has a master's degree in Electronics Engineering from V.J.T.I. He is a DGCA-certified Remote Pilot and a member of the Aeronautical Society of India (AeSI).

Ms. Shloka Hajare is the Head of Operations at Skyforce Innovations Pvt. Ltd. with 5 years of experience in designing and manufacturing drones. She is an Aerospace Engineer with a membership in the Society of Automotive Engineers (SAE).

Enrolment Process:

STEP 1: You will have to make an online payment as specified below.

STEP 2: Take a screenshot or receipt of your payment success and submit it to:–

NOTICE

STD V – IX

Date: January 21 , 2024

Dear Parents,

"We make a living by what we get, we make a life by what we give." - Winston Churchill

We have a unique opportunity to spread warmth and love to the less privileged in our society. Rajhans Vidyalaya is organizing an entertaining, fun-filled event on February 3, 2024, for children (from mobile crèches) whose parents work in construction sites.

To make this event a memorable one for these children, we seek your voluntary support and cooperation. The school has arranged buses to pick up and drop these children from construction sites located at Powai, Vikhroli, Thane, Goregaon West, Wadala, and Dharavi. We'll also provide snacks, lunch and an and entertaining, fun-filled day to the children.

To contribute to this noble cause and inculcate good values in our students, we kindly request you to send the following items with your child by January 24, 2024.

Please ensure that the items are new (not second -hand).

STD	ITEMS
V	Nail cutter
VI	Snakes and Ladder and Ludo (if possible, the games purchased could be on a board with snakes and ladder on one side and ludo on the other).
VII	Skipping rope
VIII	Rubik's cube
IX	Smiley balls (2) and a Diya

Interested parents and children are welcome to attend the event and contribute to making this initiative a success. Let's work together to bring a smile to these children's faces.

RAJHANS VIDYALAYA
SENIOR
SECONDARY SECTION

We take immense pleasure and pride to announce that the Senior Secondary Section of **RAJHANS VIDYALAYA** has successfully completed 26 years of dedicated service to quality education.

Responding to the demands of parents for a Junior College affiliated with the **CBSE Board**, the **Senior Secondary Section was founded in 1997** and today it has grown into one of the finest educational institutions in the Western Suburb, **offering a wide array of subjects** to choose from.

KEY POINTS OR SALIENT FEATURES

Diversification of Subjects: Over time, the Senior Secondary Section has added more subjects, providing students with a broad spectrum of choices for their academic pursuits.

CBSE Affiliation: Affiliated with CBSE, the institution assures students of better results, setting a standard for excellence in education.

Career Guidance: Under the guidance of an excellent team of experienced and committed teachers, a strong foundation of the basic concepts and skills among students is laid. It helps the students not only ace the Board Exam but also orient them to crack various competitive exams like NTSE, OLYMPIAD, JEE, NATA, NEET, CLAT, CA Foundation, CS Foundation, ICWA Foundation etc.

KEY POINTS OR SALIENT FEATURES

Strong Alumni Network: The senior Secondary Section boasts of a strong alumni network of students excelling in diverse fields globally, affirming our commitment to nurturing each student into a creative and confident individual.

School Environment vs. College Atmosphere: Emphasizing the familiarity of the school environment, the institution contrasts it with the impersonal atmosphere often experienced in colleges.

KEY POINTS OR SALIENT FEATURES

Academic Excellence and Recognition: Producing national toppers and encouraging regular attendance, the institution ensures students benefit academically and are recognised for their achievements.

Experienced Teaching Staff: With an excellent team of experienced teachers, the Senior Secondary Section has educators actively involved in board roles such as evaluators, head examiners, and observers.

EXAM CENTRE-The school serves as a centre for exams and evaluations.

Sports Facilities: Recognizing the importance of holistic development, the school offers sports facilities as a stress buster for students.

Notable Achievements: Highlighting the AISSCE 2008-2009, where **Mrittika Sen achieved 98.4%, securing the position of the All India CBSE Topper in the Science stream.**
