NURTURING TALENT, BUILDING CHAMPIONS

The school has consistently emphasized the importance of physical education and the spirit of sportsmanship through thoughtfully designed programmes and active participation in inter-school competitions. These initiatives aim not only to enhance physical fitness but also to cultivate essential life skills such as discipline, resilience, and teamwork.

- A dedicated allocation of six games periods per week within the academic schedule ensures that students engage in regular physical activity. This structured approach provides them with the opportunity to develop endurance, coordination, and a strong sense of commitment, while also encouraging healthy habits and an active lifestyle from an early age.
- To further strengthen sporting engagement at the senior level, a specially organized Games Activity for Grades XI and XII offers students a platform to refine their skills, showcase their abilities, and embrace a spirit of healthy competition. This initiative is instrumental in balancing academic rigor with physical well-being, allowing students to excel in multiple dimensions.
- The Annual Sports Meet, a grand and prestigious highlight of the school calendar, stands as a vibrant celebration of energy, enthusiasm, and unity. The event brings together students, teachers, and the wider school community, fostering a sense of camaraderie and pride. Through a diverse array of track and field events, team sports, and competitive activities, students display remarkable determination, sportsmanship, and perseverance.

Collectively, these initiatives reflect the school's unwavering commitment to nurturing well-rounded individuals. By instilling values of discipline, teamwork, and perseverance, the institution continues to shape physically active, confident, and resilient students who are well-prepared to meet challenges both on and off the field.

PRACTICES

The Eco Club of the institution continues to exemplify a deep-rooted commitment towards fostering environmental consciousness and responsible citizenship among students. Through thoughtfully curated initiatives, the club aims to instill a sense of respect, awareness, and proactive engagement with nature.

- **SOHA Initiative:** The school was approached by Bharat Soka Gakkai (BSG) with an introduction to their sustainability initiative, 'BSG for SDG', and their proposal to establish SDG Clubs within educational institutions. As part of their outreach, BSG also proposed hosting the exhibition 'Seeds of Hope and Action: Making the SDGs a Reality' (SOHA) on campus. The SOHA exhibition is designed to inspire reflection, dialogue, and youth-driven action towards achieving the Sustainable Development Goals (SDGs) by 2030, with the overarching vision of ensuring that no one is left behind. The initiative is non-commercial in nature, with BSG providing all exhibition panels, while logistical arrangements are planned collaboratively. The club actively participated in the SOHA initiative, promoting sustainable habits and encouraging students to adopt eco-friendly practices in their daily lives.
- **QR Code-Based Plant Identification:** An innovative approach was undertaken wherein QR codes were installed to enable easy identification and learning about various plants and trees, thereby integrating technology with environmental education.
- **Awareness on Carbon Footprints:** Informative sessions and activities were conducted to educate students about carbon footprints, emphasizing the importance of reducing environmental impact through mindful choices.
- **Tree Plantation Drive:** A highly successful tree plantation drive was organized, reflecting the collective effort of students and staff towards enhancing green cover and contributing to ecological balance.

In conclusion, the Eco Club's initiatives stand as a testament to the institution's unwavering dedication to sustainability and environmental stewardship, inspiring young minds to become conscientious guardians of the planet.

INFRASTRUCTURE & FACILITIES IMPROVEMENT

2025-2026

ENHANCING INFRASTRUCTURE FOR HOLISTIC DEVELOPMENT

The institution has undertaken a series of progressive upgrades aimed at enriching the overall learning environment and providing students with state-of-the-art facilities. These enhancements reflect a forward-thinking vision, ensuring comfort, innovation, and excellence in every aspect of school life.

- **School Assemblies at Multiple Venues:** Assemblies are now efficiently conducted across the Gurukul, Basketball Court, and Primary Block, ensuring better organization, inclusivity, and effective participation of all students.
- **Optimal Use of Gurukul:** The Gurukul space is being thoughtfully utilized by all sections, serving as a dynamic hub for academic, cultural, and co-curricular activities.
- **Atal Lab:** The establishment of the Atal Lab has provided students with a stimulating platform to explore innovation, creativity, and hands-on learning in science and technology.
- **Turf 1 & 2:** The development of modern turf grounds has significantly enhanced sports infrastructure, offering students excellent facilities for training and recreation.
- **Gymnasium:** A well-equipped gymnasium has been introduced, promoting physical fitness, well-being, and a healthy lifestyle among students.
- **New Benches:** The addition of new benches ensures improved comfort and a conducive classroom environment, supporting better focus and learning.

In conclusion, these comprehensive upgrades stand as a testament to the institution's unwavering commitment to excellence, creating an inspiring and future-ready environment for holistic student development.

EMPOWERING EDUCATION THROUGH INNOVATION & EXCELLENCE

The institution continues to embrace technological advancements to enrich the teaching-learning process and ensure academic excellence. By integrating modern tools and streamlined evaluation systems, the school fosters a progressive and future-ready educational environment.

- **Sense Board:** The introduction of the Sense Board has significantly enhanced classroom engagement, enabling interactive and immersive learning experiences. This smart technology facilitates dynamic teaching methods, making lessons more visually appealing, collaborative, and impactful.
- **On Screen Marking [OSM] CBSE Evaluation – Grade XII:** The implementation of the OSM CBSE Evaluation system for Grade XII ensures a structured, efficient, and transparent assessment process. It supports accurate evaluation, timely feedback, and upholds the highest standards of academic integrity.

In conclusion, the integration of advanced technological resources reflects the institution's commitment to innovation, equipping students with the skills and competencies required to excel in an ever-evolving digital world.

ENSURING A SECURE & VIGILANT CAMPUS ENVIRONMENT

The institution places paramount importance on the safety and well-being of its students, staff, and visitors. With a proactive and vigilant approach, robust measures have been implemented to maintain a secure and well-regulated campus environment.

- **Strict Entry Records:** A meticulous system of maintaining entry records has been established, ensuring that all movements in and out of the campus are carefully monitored and documented. This measure enhances accountability and strengthens overall security protocols.
- **Visitors' ID Cards:** The issuance of visitors' ID cards ensures proper identification and regulated access within the premises. This systematic approach helps in maintaining transparency while safeguarding the campus from unauthorized entry.

In conclusion, these well-structured safety and security measures reflect the institution's unwavering commitment to creating a protected, disciplined, and reassuring environment conducive to learning and growth.

PARENT ENGAGEMENT

2025-2026

LAYING A STRONG FOUNDATION FOR A SUCCESSFUL ACADEMIC JOURNEY

The institution meticulously organized a series of comprehensive orientation programmes to warmly welcome students and familiarize them with the academic environment, expectations, and values of the school. These thoughtfully curated sessions ensured a smooth transition, fostering confidence, clarity, and enthusiasm among students across all sections.

Primary Section: Orientations for Grades I–II and Grades III–IV were conducted to ensure a smooth, engaging, and structured start. Students transitioning from Bai Kabibai to RV Primary were seamlessly integrated into the new environment.

Secondary Section (Grades V–X): Student Orientation focused on academic readiness, discipline, and holistic development.

Senior Secondary Section: Grade XI orientations emphasized subject selection, career pathways, and future readiness, while Grade XII sessions prepared students for board examinations and academic excellence.

TED-Ed Students Orientation: A specialized orientation programme was organized for TED-Ed students, encouraging innovative thinking, public speaking, and intellectual curiosity. Overall, these initiatives reflect the institution's commitment to nurturing confident, well-prepared, and motivated learners.

PTM SUMMARIES

STRENGTHENING PARENT-SCHOOL PARTNERSHIP ACROSS ALL SECTIONS

The institution consistently organizes Parent-Teacher Meetings (PTMs) across all sections, reinforcing a strong and transparent partnership between parents and educators. These interactions serve as a vital platform for constructive dialogue, ensuring the holistic development and academic progress of every student.

- **Comprehensive Coverage:** PTMs were systematically conducted for all sections, ensuring that every parent received detailed insights into their child's academic performance, behaviour, and overall development.
- **Meaningful Interaction:** The meetings facilitated open, respectful, and productive communication between teachers and parents, fostering mutual understanding and collaboration.
- **Personalized Feedback:** Individual attention was given to each student, with teachers providing thoughtful feedback, highlighting strengths, and suggesting areas for improvement.
- **Collaborative Approach:** Parents were actively encouraged to share their observations and concerns, promoting a balanced and supportive approach towards student growth.

In conclusion, the successful conduct of PTMs across all sections reflects the institution's unwavering commitment to nurturing a collaborative, transparent, and student-centric educational environment.

PARENT WORKSHOPS GUIDING CHOICES, EMPOWERING FUTURES

Recognizing the invaluable role of parents as partners in a child's educational journey, the institution thoughtfully curated a series of engaging and insightful workshops. These sessions were designed to equip parents with the knowledge, perspective, and confidence to effectively support their children in making informed academic and career decisions.

- Career Guidance for Grades IX & X :

A highly informative workshop was conducted to help parents understand the evolving academic landscape and diverse career pathways available to students. Expert guidance enabled them to better assist their children in making well-informed subject and stream choices.

- 'Two Roads Diverged':

This thoughtfully themed session provided deeper insights into decision-making at crucial academic crossroads. It emphasized the importance of aligning a child's interests, aptitudes, and aspirations with suitable career options, fostering clarity and confidence among parents.

In closing, these impactful workshops reaffirm the institution's dedication to building a well-informed parent community, ensuring that every student is supported with wisdom, encouragement, and a clear vision for the future.

Prize Distribution for Internal Competitions: Meritorious students were awarded for their achievements in various internal competitions, encouraging a spirit of healthy competition and continuous improvement.

Scholarships and Fee Waiver for Academic Excellence: In a commendable initiative, the management announced free scholarships and tuition fee waivers for students scoring 95% and above, recognizing outstanding academic achievement. These efforts not only celebrate success but also foster a motivating environment, encouraging students to pursue excellence with confidence, integrity, and determination.

SPORTS MEDALS & CERTIFICATES

Students who demonstrated exceptional skill, determination, and sportsmanship in various competitions were awarded medals and certificates. Their achievements reflect discipline, perseverance, and a commendable competitive spirit.

CULTURAL PERFORMANCE AWARDS

Talented students were recognized for their outstanding performances in cultural activities, showcasing artistic flair, confidence, and expressive brilliance across diverse platforms.

SOCIAL SERVICE PROJECTS

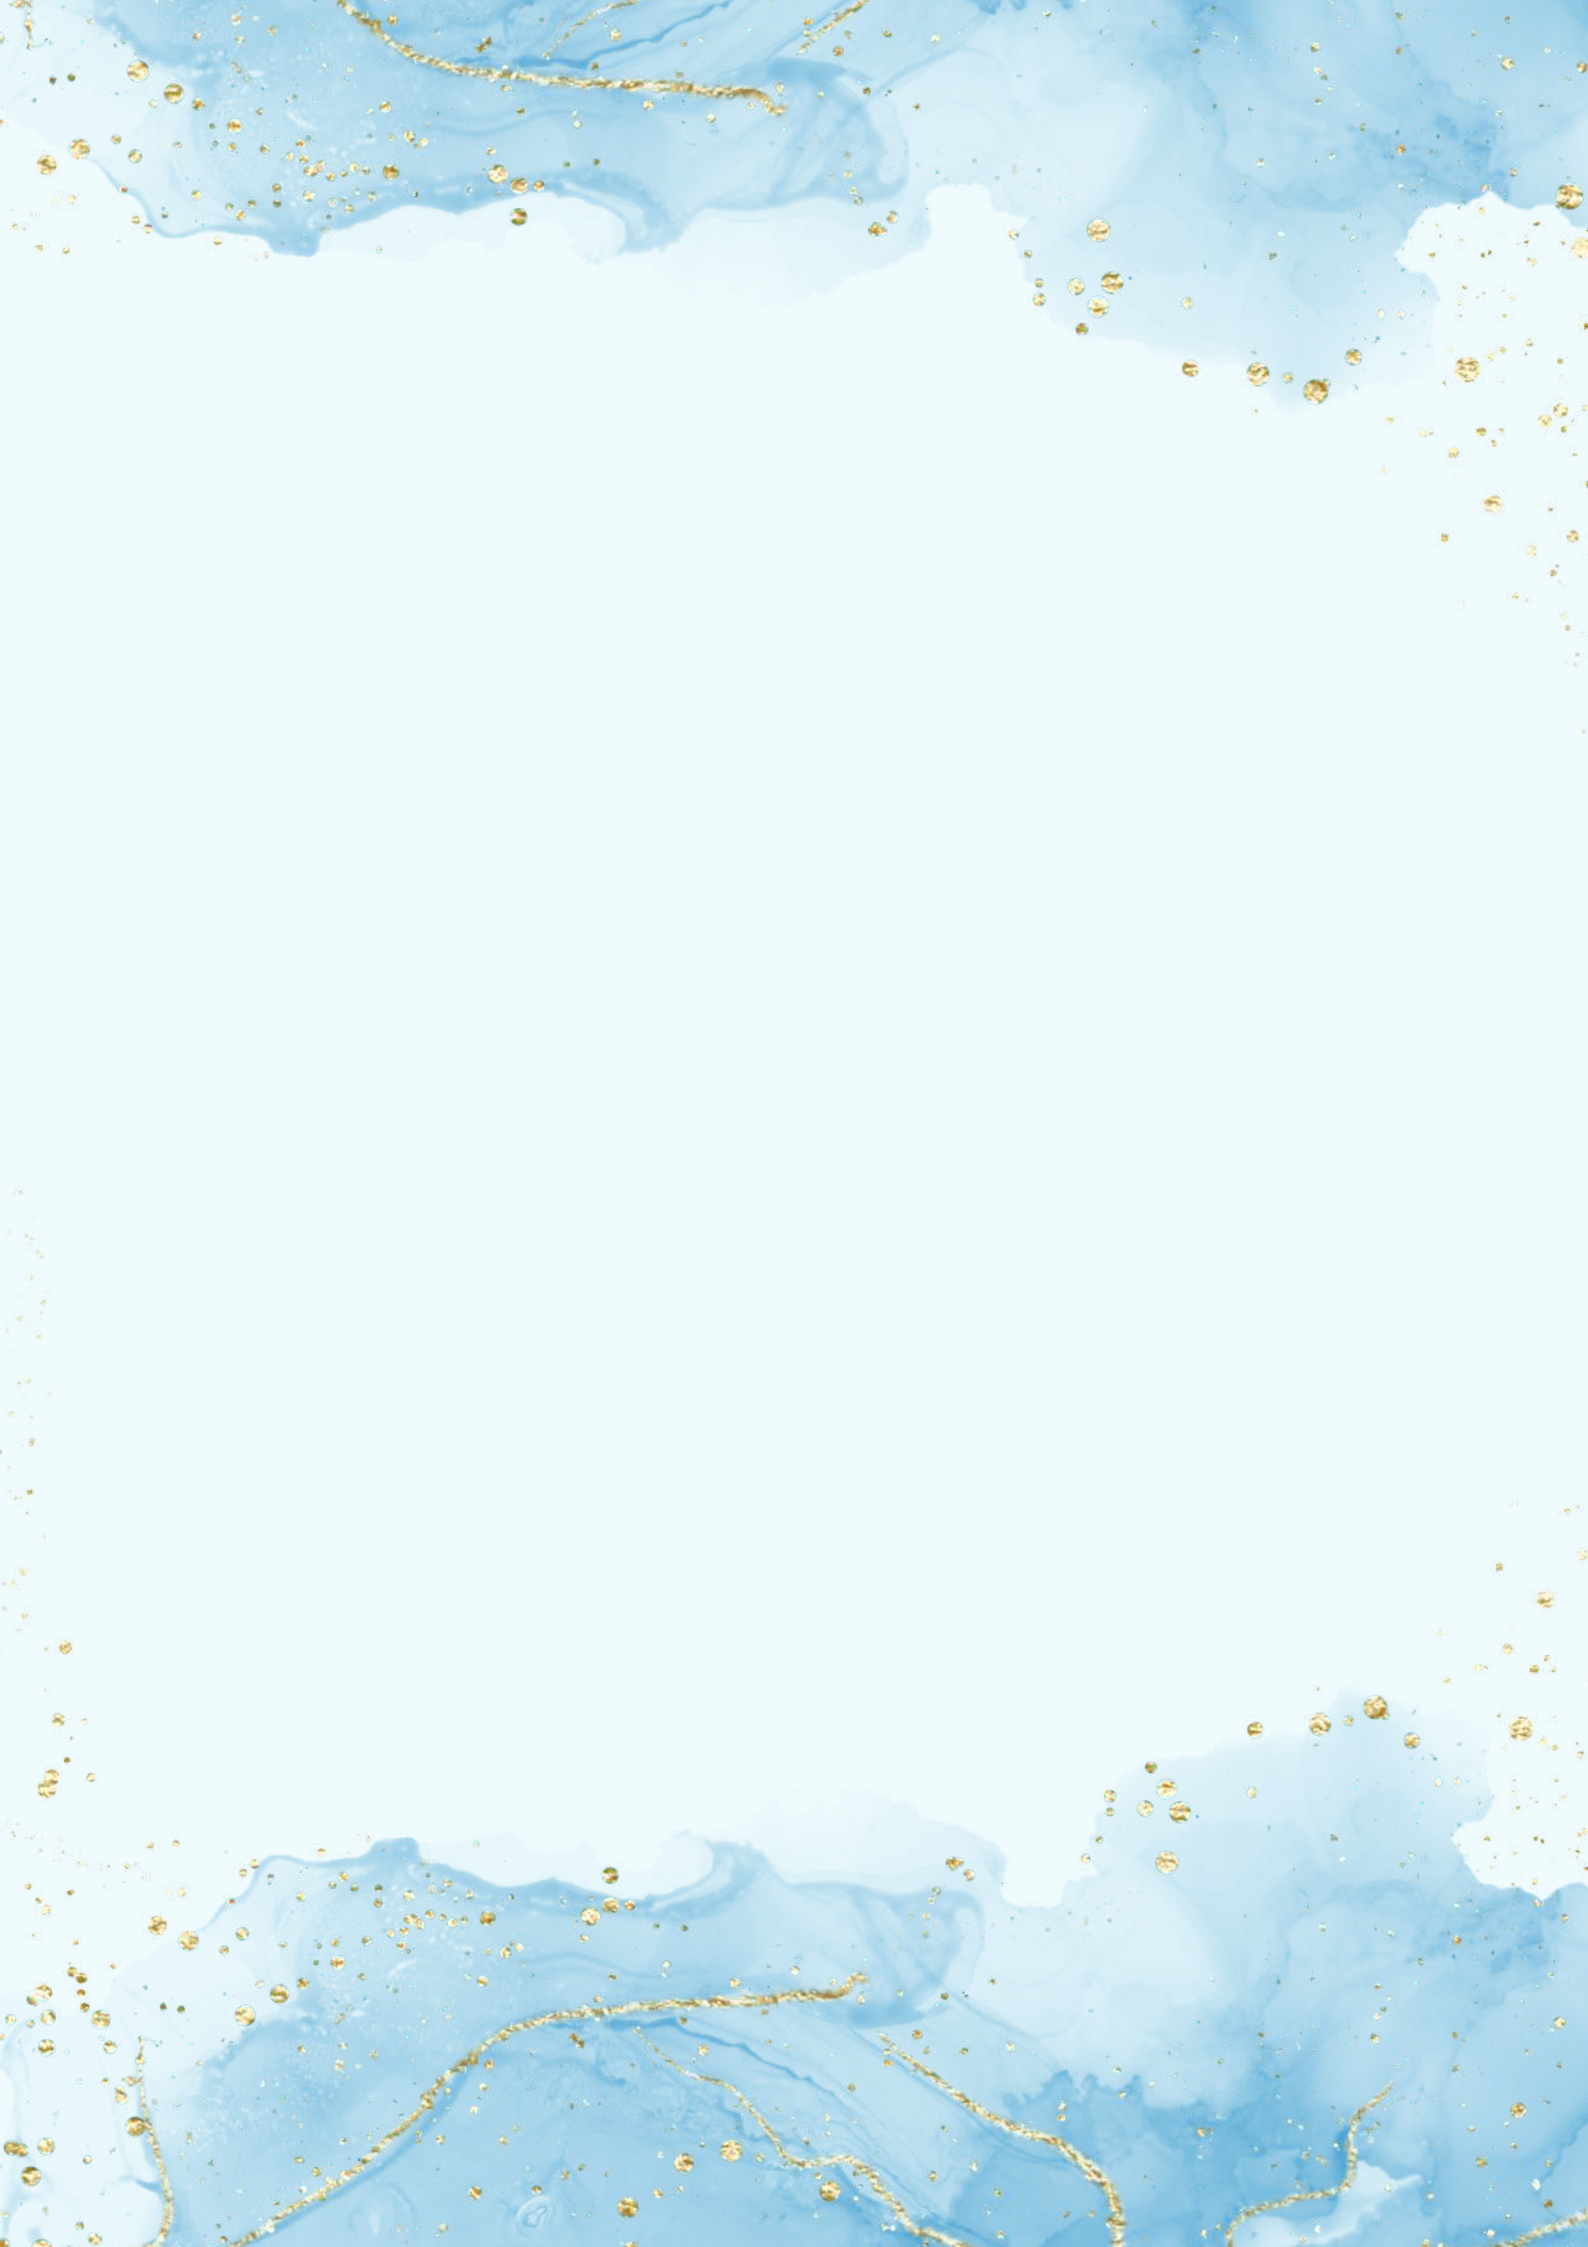

Students actively engaged in meaningful social service projects were appreciated for their empathy, leadership, and commitment to community welfare, embodying the true essence of responsible and caring individuals.

In reflection, these recognitions not only applaud achievement but also inspire a deeper sense of purpose, encouraging students to excel with passion while contributing positively to society.
